

LB6-SW100-L Compact Sound Subwoofer White

www.boschsecurity.com

BOSCH

Invented for life

The LB6-SW100-L consists of a high performance 8-inch subwoofer module with a crossover network to support up to four (4) 2-inch LC6-S-L compact satellite speakers. The LB6-SW100-L can support either 4/8 ohm or 70/100V signal connections. Its high power handling allows the subwoofer to be used in a wide variety of environments and spaces to enhance high quality background or foreground music.
